

Help us improve stroke services

Your local NHS is working to improve care services for people who have had a mini stroke (known as a Transient Ischaemic Attack or a TIA) or a stroke.

Please complete our short online survey which can be completed by anyone, whether they have experienced a stroke or not.

The survey will be open until Friday 28 July 2023. If you need to contact us or need the survey in other formats please email nelondonicb.nelcommunications@nhs.net.

How to use a QR code:

Open the camera on your phone, point it at the code and then tap the link that appears.

Or use this address to complete the survey:
